

**Old Pueblo Gunfighters point system for  
Gunfighter of the Year**

Our point system is based on the CFDA Top Gun Point System (40 Point System)

Each gender is awarded points independently

Top Placing Man = 40 Points

Top Placing Woman = 40 Points

Second Place Man = 37 Points

Second Place Woman = 37 Points

Third Place Man = 35 Points

Third Place Woman = 35 Points

Fourth Place Man = 33 Points

Fourth Place Woman = 33 Points

Fifth Place Man = 31 Points

Fifth Place Woman = 31 Points

Sixth Place Man = 30 Points

Sixth Place Woman = 30 Points

For finishes below 6<sup>th</sup> place, points will diminish one point per overall place until exhausted.

Non club members who are shooting with us will have no bearing on the points awarded. The points assigned to their placement will be assigned to the next highest club member.

Scoring is based on final standings after the shoot off.

Only a shooter's best 16 finishes will be counted towards awards.

Ties will be determined by the highest average points earned per event (counting all attended events, not just the best 16).

Should there still be a tie, it will be broken by the number of events attended during the year.
